**PETITION TO REVIVE AN ABANDONED APPLICATION PURSUANT**

**TO 37 C.F.R. § 1.137(b) (UNINTENTIONAL DELAY)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully petitions to revive the above-identified application pursuant 37 C.F.R. § 1.137(b) wherein a Notice of Abandonment was mailed on May 19, 2004. 37 C.F.R. § 1.137(b) recites that a petition to revive an abandoned application may be filed if the delay in reply by Applicant was unintentional. Such section also further recites that a grantable petition must be accompanied by (1) the reply required to the outstanding Office Action; (2) the petition fee as set forth in Section 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and (4) any Terminal Disclaimer required pursuant to paragraph (d) of this section.

In support of Applicant's petition, Applicant concurrently submits herewith a reply required to the outstanding Office Action of October 6, 2003 as Exhibit A. Further, the petition fee as set forth in Section 1.17(m) is also submitted herewith. Lastly, a statement by Bruce B. Brunda, Esq. is submitted as Exhibit B which states that the entire delay in filing

the required reply from the due date for the reply until the filing of this petition was unintentional.

The Terminal Disclaimer recited in 37 C.F.R. 1.137(a)(4) is not required based on a view that subsection (d) of 1.137 does not apply to the above-identified application. In particular, subsection (d) of 1.137 applies only in a design application and either a utility or plant application filed before June 8, 1995. The above-identified application was filed on June 27, 2001. Also, the earliest claim of priority dates back to August 12, 1998, the date which U.S. Provisional Application Serial No. 60/096,251 was filed. Hence, a Terminal Disclaimer is not required for this petition.

It is submitted, that on the evidence provided, the present Petition to Revive an Abandoned Application should be granted. To the extent that the petition is granted, Applicant respectfully requests entry of the response to the Office Action submitted concurrently herewith as Exhibit A.

Applicants also submit concurrently herewith an Information Disclosure Statement pursuant to 37 C.F.R. Section 1.97, as Exhibit C. To the extent that the petition is granted, Applicant respectfully requests consideration of the references disclosed therein.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,
